

REMARKS

Amendments are made to the specification to provide U.S. Patent Application Serial Numbers in place of attorney docket numbers. Amendments are made to more accurately refer to Figure 1. No new matter has been added.

CONCLUSION

In the unlikely event that the Patent Office determines that an extension and/or other relief is required as a result of this statement, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due to our **Deposit account no. 03-1952** referencing **226272003802**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
